

TODAY, please take 5 minutes to call your Congressional Representatives and Senators and ask them to intercede on Rosa's behalf with ICE, and help secure a stay of deportation while her asylum case is being considered.

For House Representatives

Dial 1-844-332-6361, follow instructions to connect to your Member of

Congress, and use the following script, if needed.

“Hello, my name is [first and last name] and I'm a constituent of Congresswoman/man [name]. I'm calling as a leader/clergy from [congregation/organization]. We're calling on the Congresswoman/man to call ICE and urge them to grant Rosa Gutierrez Lopez's petition for a stay of removal. I also am asking the them to reject the White House's supplemental budget request. ICE and CBP have a long track record of abuse and death, mismanagement of funds, and a culture of violence. My tax dollars should not be spent to detain, deport, or terrorize immigrant communities. We demand that [Member of Congress] urge the party leadership to reject the White House supplemental budget request.
